

Request to Become a New Seasonal Camper 2022

Process to become a New Seasonal Camper

- Potential campers must fill out a request to become a new seasonal camper. This request must be completed every year, and returned no later than 3:00pm of September 1st, 2021.
- Existing seasonals who are in good standing have the first right of refusal to their current lots.
- Existing seasonals who are in good standing receive priority over all seasonal sites that become available.
- Park Management reserves the right to make decisions regarding site designation; meaning which sites might be removed or added to the existing pool of seasonal lots, as well as site allocation.
- New potential seasonal campers will be sent a list of available sites, once site availability has been determined.
